

What Does EPIC-N Membership Mean for Universities?

"[EPIC-N is] the easiest-adopted and most efficient model I've seen for ensuring real and visible faculty and student contribution of value to area communities, while also improving student learning experience."

— David Ward, past President of the American Council on Education and two-time Chancellor of the University of Wisconsin

EPIC-N provides value to universities by advancing their mission, improving their students' learning experience, and enhancing their reputation with public and private donors. EPIC-N offers the following array of resources free of charge to its members with the goal of increasing the number, quality, performance, and influence of EPIC programs globally, and no dues or fees are required to join.

Membership Benefits
